EPISODE 40: SHOW NOTES AND ACTION ITEMS

In today's interview you heard Jordan discuss data literacy and why it is so important. His book titled *Be Data Literate* was published in 2021, https://www.amazon.com/gp/product/B08PQ1X2TS/ref=dbs_a_def_rwt_hsch_vapi_tkin_p1_i0

Jordan has a second book expected this summer titled, *Be Data Driven: How Organizations Can Harness the Power of Data* and a great Ted Talk on *Why Everyone Should Be Data Literate,* https://www.ted.com/talks/jordan_morrow_why_everyone_should_be_data_literate?language=en

Your action today is to use these resources to increase your own awareness of data literacy and what that might mean for your training and education programs. Ask yourself, can you use data to make decisions? What instruction and skills will your students need to make decisions using data?
